Set up your own Cindystock. We invite you to bring out a viewing device and your speaker into your yard, set up your chairs and coolers, pour your favorite beverage and have your own picnic dinner ready to go. Wear your Woodstock gear, and take pictures and we'll share them. Maybe you can even host a small socially safe watch party in your yard. We'll be hosting the live broadcast from our space and then connect to each of the musicians - playing one after another.

MUSIC! Thanks to our talented and flexible musicians: [Miguel Sague](#), [Piper](#)

[and Carson](#), [Jay Nash](#) of the Contenders, [Dan Navarro](#), [Erik Parian](#) and [Kyshona](#), The [Currys](#) have also offered a kickoff concert on Tuesday June 16th donating half of their proceeds from the night. .

Who you help. All money raised will be used to support 5 agencies that provide either free cancer screening or support services: Allegheny Health Network community screenings, UPMC colon cancer screening, Adagio Health breast and cervical screenings and support services from Cancer Caring Center and Hair Peace Charities.

We ask that you not only consider your own participation and donations, but please **spread the word. This year, anyone anywhere in the world can attend this festival.**

Cindystock has always been about trying to marry the best we can do to fight the worst of what is. Thanks to our sponsors: Allegheny Health Network, UPMC and Lamar
