CELEBRATING 16 YEARS OF CINDYSTOCK

Hope on Wheels

Friday June 28 & Saturday June 29, 2019

TICKETS—On Sale Now Online at Yapsody

Inspired by the original Woodstock music festival (which turns 50 this year), we have been coming together for 16 years for a day of great music and food to raise funds for cancer screening tests and support services. Born and raised in Pittsburgh, this festival is all about coming together with big hearts and a willingness to help others.

Friday - Start and finish at Helicon Brewery after a Panhandle bike ride where there will be pizza and music from Mark Ferrari. Ride yourself or support a rider. You can also buy tickets just for the night celebration.

Saturday - the Cindystock music festival continues to mean excellent music, delicious food and an opportunity to use a relaxing day to support a good cause. Raffle tickets will be on sale along with a silent auction of items such as liquor baskets, golf, overnight stays and music memorabilia.

Celebrating Survivors!

Agency support

Breast, cervical, prostate and colon cancers are all treatable when detected at an early stage. We have long shared our proceeds with programs aimed at those cancers whose effects can be minimized by potentially life-saving screening tests.

Focused on serving the Pittsburgh region, a portion of this year's proceeds benefit free screening programs operated by Adagio Health, Allegheny Health Network and UPCI Colon Cancer Outreach.

We also proud to assist these amazing Pittsburgh cancer support groups: Cancer Caring Center and Hair Peace Charities, Satchels of Caring.

Special thanks to this year's sponsors!

Sponsoring is easy

If you or anyone you know would like to help sponsor our event or donate food, something for our raffle or silent auction, donations will be tax deductible and are most appreciated. They will be accepted until June 10th.

Please contact Renee Adams to arrange for donations.

CELEBRATING 16 YEARS OF CINDYSTOCK

About the artists:

Traveling throughout the country, we have once again found a fabulous blend of talent to entertain you at Cindystock 16. Enjoy their exceptional and unique voices and huge hearts. We are grateful and honored to have them.

FRIDAY—after the bike ride—7:30

MARK FERRARI — [Mark Ferrari](#)

After the bike ride on Friday, join us for Mark Ferrari while we celebrate the riders at Helicon Brewery. Mark is a great Pittsburgh talent who has opened for many touring bands along with playing Cindystock.

SATURDAY—Cindystock 16

THE CURRYS—[thecurrysmusic.com](#)

Many of you will remember the fun we had with The Currys at Cindystock before. Genuinely talented musicians and wonderfully kind people.

While no promises that they will agree to don the pierogi costumes again, they will certainly be bringing their entertaining personalities, their gorgeous harmonies and songs from their newly released album "This Side of the Glass".

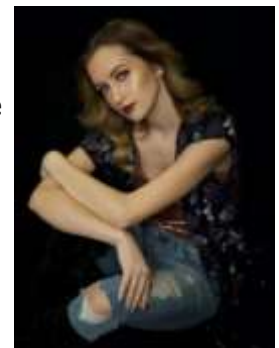

justSAINTS — [justSAINTS](#)

Last year Erik Parian played Cindystock and got us all up dancing. Now he returns with his newly formed Nashville based band—justSAINTS. We are sure to be entertained by their fresh sound described "alternative-pop".

Trinity Wiseman — [Trinity Wiseman](#)

Trinity is a singer/songwriter who is gaining recognition for her heart-felt writing style and unique voice. She has several contest including the WYEP Singer/Songwriter Contest and the Pittsburgh Acoustic Challenge. We welcome her during her summer break from Belmont University.

Carnival of Souls—[Carnival of Souls](#)

Carnival of Souls has been performing traditional and original Celtic music Virginia for nearly thirty

years. The group uses a wide variety of traditional and non-traditional instruments to produce a rich range of music that would be at home in a pub in Dublin or a coffee shop in Shadyside.

CDs for the artists will be available for purchase—please support them.
