

Yates Fund for Cancer Hope presents "Cindystock"
Annual Concert fundraiser for Cancer Research and Support
www.cindystock.org

On Fri-Sat June 28-29, 2019 the all volunteer organization **Yates Fund for Cancer Hope** will be hosting our 16th annual cancer fundraising concert called *Cindystock—Hope on Wheels*. This year we are introducing a bike ride on Friday. Saturday the music festival will feature several bands, food and a silent auction and raffle. Past successful events have allowed us to raise over \$275,000.

All proceeds from this event will go toward providing financial support to local organizations who provide cancer support services and who conduct cancer screening tests (especially for under or uninsured patients). Among this year's recipients will be Adagio Health screening services for breast and cervical cancer, UPCI for colon cancer screening, Robin Cole Foundation for prostate cancer screening and AHN for free cancer screening. Supported cancer service organizations include the Cancer Caring Center, Satchels of Caring and Hair Peace Charities.

We would greatly appreciate your business' consideration to help sponsor our event. To become a corporate sponsor for the biking event, a donation of \$250 will guarantee your business's logo will be printed on the Hope on Wheels t-shirt. Food or beverage contributions would be very welcome. In addition, donations, baskets or gift certificates which can be used for the auction or raffle to raise additional funds during the concert event would also be appreciated. Your business will be recognized and promoted during the event and your donations are tax deductible.

We are certain that you receive many requests for charitable contributions, but we hope that you will consider this grass roots effort to help fight a disease which has affected the lives of so many. Donations may be sent to the address listed below.
